Dear Customer:

Beginning November 14, 1994, CFC and HCFC refrigerants will be available **ONLY** to companies or entities that employ at least one certified technician, or are purchasing for resale.

We have been working with refrigerant manufacturers, government agencies, and technician testing organizations to keep current on information as it becomes available. Based on this information, we need the form on the opposite side of this letter filled out and returned to us along with a **PHOTOCOPY** of the certification card. This form will give us the information we need to sell refrigerant to you after November 13, 1994.

If you have any questions call Ron Winslow or Henry Winslow at (734) 728-0795.

Sincerely,
Downriver Refrigeration Supply Co.
